

WARRIOR SLED TEAM SPONSORSHIP PACKAGES

Since 2012, the Buffalo Warriors program has made a significant impact on the lives of many area veterans. We remain committed to growing the program and its impact for any local veteran who wishes to join our team. Through your generous support, we can continue to provide our local heroes with the quality hockey program that they deserve. Our program is run entirely by volunteers, so 100% of your support would go directly to benefit our veterans.

Below is an overview of our available sponsor packages. If you are interested in becoming a sponsor of the Buffalo Warriors program, please contact Steve Wischmann at (716) 208-2616.
